Community Education Building  
1301 S. Market

At the end of rehearsal, please enter the parking lot at the Community Ed Building on the right side of the building as you face the front of the building. Please do not enter on the left side of the building unless you plan to park and enter the building to pick up your child. If you plan to park, please park on the hill to the right of the building. When you are in the car-line, BCC parents will escort your child to your car. **Please check the attached map for pick up directions.**

Thank you for your help with this process and for helping us keep our children safe.
